BOWL FOR KIDS' SAKE

A fun and easy way for individuals and companies to make an impact on the local community—it only takes a little bit of effort to raise the money that is vital to our program's success.

Fundraising teams collect donations and then celebrate their success by attending a local bowling party. This year we have included a Mario Party challenge, you take a challenge card to another friend, family or business to put in a team and see who can raise the most pledges and bowl the highest score.

WHAT IS A BIA?

A Business Improvement Area (BIA) is a collaboration between commercial property owners and tenants in a specific area, partnering with the Municipality to establish vibrant and secure business districts that draw in shoppers, diners, tourists, and new enterprises. Through their collective efforts as a BIA, local businesses have the resources (funds and manpower) to improve the overall quality of life in their neighborhood and the Municipality.
